

Kelly Canyon Lesson Registration 2009 - 2010

Kelly Canyon Teaching Center offers a variety of lessons for beginners to advanced skiers and snowboarders of all ages. The center is a member of the Professional Ski Instructors of America (PSIA) and uses the American Teaching System. Our instructors are PSIA Certified and offer a simple approach to learning. There techniques are developed to help no matter what your ability. Our goal is to emphasize training and safety, but most importantly we want everyone to enjoy themselves while at the resort. If you want to learn to ski or board, or improve your skills, join us. We have a lesson package designed for you. All students must have appropriate clothing for winter weather. This includes a minimum of a warm coat, hat that covers the ears, water repellent pants (no denims), gloves and protective eye wear. Long scarves and knit mittens are not appropriate. For additional information call 538-6251 or check out our web site at www.skikelly.com.
