

## Kelly Canyon Lesson Registration 2018 – 2019

Kelly Canyon Ski School offers a variety of lessons for skiers and snowboarders of all ability levels and ages. The School is a member of the Professional Ski Instructors of America (PSIA) and uses the American Teaching System. Our instructors are PSIA Certified and offer a simple approach to learning. The techniques have been developed for positive results no matter your ability. Our goal is to emphasize training and safety, but most importantly we want you to have fun skiing and snowboarding!

If you want to learn to ski or board or to just improve your skills, come join us. We have a lesson package designed for you. All students need to bring appropriate clothing for winter weather including a warm coat, a hat that covers the ears, water repellent snow pants (no denims), winter gloves, and goggles or protective eye wear. Long scarves and knit mittens are discouraged. For additional information call (208) 538-6251 or check out our website at [www.skikelly.com](http://www.skikelly.com).
